Fusion Systems is a manufacturer of industrial equipment specializing in legacy products for the packaging, medical, and printing industries. Fusion also offers clients one-stop shopping for new product development services. The transparency of Fusion's unique "open book" practice, which outlines costs explicitly, coupled with their ability to seamlessly integrate with their client's internal processes wins customers before they outsource overseas.

Inc. **500** **About the Inc. 500** Since 1982, businesspeople have eagerly sought out *Inc.*'s annual ranking of the fastest-growing privately held companies in the U.S. The list gives readers insight into the hottest trends and emerging themes in the evolving economy available nowhere else. From Microsoft and Domino's Pizza in the 1980's, to E*Trade and Clif Bar in the 1990's, to American Apparel and Shutterfly in this decade, the Inc. 500 has always been ahead of the curve.
